BBE® MP (Minimised Polynomial Non-Linear Saturation)

By restoring the harmonics that are lost during the digital compression of MP3, WMA and AAC audio files, BBE MP reproduces the sound's warmth, details and nuances of that would otherwise be lacking. Effective when used with digital audio files and CDs.

- Manufactured under licence from BBE Sound, Inc.
- Licensed by BBE Sound, Inc. under one or more of the following US patents: 5510752, 5736897. BBE and the BBE symbol are registered trademarks of BBE Sound, Inc.
